

## A POWERFUL COMBINATION OF INGREDIENTS

SWISSOATS A111<sup>®</sup> is a natural dietary supplement that contains bioactive extracts of green oats, stinging nettle and sea buckthorn fruit. This exclusive patented combination of ingredients has been clinically proven to be safe and effective following a decade of extensive research in Europe, USA and Singapore. SWISSOATS A111<sup>®</sup> has been formulated to help boost your energy levels and keep you at your physical and mental best. Its ingredients work in synergy to give you a more healthy and youthful mind and body.

### GREEN OATS (AVENA SATIVA)

Oats in various forms have a long history of use for their rejuvenating and strengthening effects on the human body. Their properties are recognised for enhancing energy, vitality, strength, and vigor while improving memory and mental alertness. The green oats extract has high content of proteins, easily digested carbohydrates, polyunsaturated fats, fibres, vitamins B and E, and minerals. Oats contain a very high level of zinc compared to other plants.

### STINGING NETTLE (URTICA DIOCA)

Nettle is one of the most valued medicinal plants throughout history. This plant is rich in vitamin A and C, proteins, lipids and chlorophyll. It is also rich in minerals such as calcium, magnesium and particularly iron. Nettle has been used to help improve blood circulation and relief allergies.

### SEA BUCKTHORN (HIPPOPHAE RHAMNOIDES)

Sea buckthorn is a unique fruit that surpasses all known fruits and vegetables in its vitamin C content. This fruit contains a very rich source of antioxidants, which are known to slow down the aging process. Sea Buckthorn is used as a strengthening tonic for physical weakness, headaches, and mental exhaustion, as well as for protection against infections.
